

Art Guidelines

Correspondence about art submissions may be sent to art@rethinkingmarxism.org

1. Please make sure that the final pdf submitted is prepared according to the below T&F specifications for art.

For the press-ready files

- Trimmed page size *Rethinking Marxism* = 234 x 156mm (portrait)
- Supply PDF files as single pages (not spreads)
- Colour should be saved as cmyk
- If there is any type on the pages, all the fonts *must* be embedded
- Ideally keep all matter at least 5mm from the edge of the page
- If bled edges are required 3mm bleed allowance *must* be included (that is, the image must overlap the edge of the page by 3mm)
- Ensure that include trim marks are included – these *must* be set back 3mm away from the edge of the trimmed page
- Resolution. T&F general guidelines for images are: 1200 dpi for line art, 600 dpi for grayscale and 300 dpi for colour. To be safe, 600 dpi would be better to ensure that the images are clear in colour online and greyscale in print.
- Tell us separately how many pages total are in your art section and indicate clearly if the first page should start on a left- or right-hand page

Copyright form

It is a condition of publication that artists assign copyright or license the publication rights in their pieces to the Association for Economic and Social Analysis. This enables the publisher to ensure full copyright protection and to disseminate the journal to the widest possible readership in print and electronic formats as appropriate.

A copyright form is at <http://rethinkingmarxism.org/author-guidelines/art-permissions.pdf>. It should be completed, signed, and returned to:
